Hello Everyone!

I hope each of you are enjoying some summer relaxation and maybe some sunny vacation days!

The Annual SGNA Course in Dallas was great! I did not get outside the conference center to see any of Dallas because I took in all the course had to offer. Barbara Young and I went to all the delegate sessions which were very interesting. A copy of the resolutions are in the following pages. Also a video was made of all the regions receiving the charter.

I attended my first GI certification banquet. It makes you proud to be in that prestigious company of exceptional GI nurses.

Most of the educational sessions were great and I brought back some new information for my department. The nurse administrated propofol (NAPS) was a hotly discussed topic. A couple of states are allowing nurses to administer propofol and they were on the panel. For sure this is a controversial subject and we will be seeing and hearing more!

I met most of the Maine attendee's and we all had a great trip. You should all try to attend a future national conference. It makes you proud to be a GI nurse.

Sincerely,

Kathleen Bailey, CGRN MSGNA President

House of Delegates Resolution Outcomes.

Notes from the Course!

The National Conference was very good this year. I always enjoy these conferences but this year I came away more challenged than ever before. There was a lot of discussion on issues with conscious sedation covering such things as nurse administered propofol. They had a panel discussion with a nurse lawyer on the panel. I was challenged to look at how I do things and my legal responsibilities in administration of conscious sedation. The Key note speakers were fantastic! There seemed to be more of a spiritual emphasis this year so not only was I challenged in my practice but I was also challenged spiritually. I came back overflowing with enthusiasm and professionally renewed. I certainly encourage any GI nurse to make every effort to attend a national conference. It is so professionally rewarding. I am looking forward to representing MSGNA as president at the National Conference in Minnesota next year.

Barbara Young, Pres.Elect MSGNA

*Bio from Lisa Gwarjanski, RN CGRN
Board Member*

I was born in Lewiston, ME. I graduated from Lewiston High School in 1980 and St Mary's School of Nursing in 1983.

After graduation, I started working at St Mary's Regional Medical Center. I worked 4 years on the Orthopedic/Neurology unit and the past 17 years in Endoscopy/Outpatient unit. I have also been working as an Endocrinology nurse since 1991.

I took my CGRN exam in May 2000 and served on the MSGNA Board of Directors since January 2003.

I live in Poland with my husband Steve, our twin daughters Kimberly and Heather, our son Jason, and a dog Jeb! I enjoy snowmobiling, boating, hiking and am a dedicated hockey/soccer/lacrosse Mom!

“We are excited about hosting the conference in Dover. Space will be limited to 100. Continental breakfast and lunch will be provided. The presenters are all physicians from the practice we work with daily. They offer a wide range of services for a community-based hospital and we think they are a great group of guys.” Cindy Tiemann, BA, BSN, RN CGRN Wentworth-Douglas

MSGNA Fall Endoscopy Conference 2004

<http://www.sgna.org/resources/prepcourse.cfm>)

August 29, 2004- Late registration deadline for Fall Certification Exam (http://cbgna.org/apps_exams.html)

October 17, 2004- CBGNA Certification Examination (http://cbgna.org/apps_exams.html)

October 30, 2004- MSGNA Fall Conference Dove, NH

October 31, 2004- CBGNA Certification Deadline (http://cbgna.org/apps_exams.html)

Tidbits:

Please welcome our newest members: Sharon Chamberlain-Blau, Beth Eldridge, Nancy Millian, Janice Morong, Janice Ritchie, Diane Sprague, Geoffrey Sprague, Jane Ellen Sprague, and Lisa Warren.

We all had a great time at St Mary's Spring conference in April. We were very lucky to have Dr. Chuttani speak about Interventional Gastroenterology. He was excellent as were all the lecturers! Some of the attendees were even more lucky! Winners of the 5 \$100.00 SGNA gift certificates and Red Sox tickets at the spring conference:

Pentex donated Red Sox tickets: Elizabeth Roy, St. Mary's
\$100 SGNA gift cert. :

Linda Gondeck, St Mary's
Lisa Gwarjanski, St Mary's
Beth Eldridge, Waldo County
Kathy Rousseau, CMMC
Jan Campaigna, PEC

Information about the fall conference in Dover is included in this issue. Cindy Tiemann and her colleagues have been very busy organizing this conference! When you see Cindy in October, be sure to congratulate her on the birth of her son, Jameson!

Please be prepared for elections at the fall conference. You will be asked to elect a Treasurer, President-Elect and 1-2 board members. Please be thinking about these positions and their importance to our professional society. Our board and officers sign a contract agreeing to attend business meetings and contribute their time and energy. In return, MSGNA agrees to refund the cost of their membership for the previous year of service. If you have questions or are interested in board participation, please contact one of the officers listed on page 3 of this issue.

E-Scope Article- How Healthy Is Your Career?

The SGNA Employment Network at www.sgna.org is the only place to look for your dream job. Focusing 100% on jobs in the Gastroenterology nursing field, SGNA Employment Network simplifies your job search. Don't see anything that interests you?
